Duct Tape Holds the World Together

Best duct tape story ever

During a private "fly-in" fishing excursion in the Alaskan wilderness, the char the plane. And a bear smelled it. This is what he did to the plane.

The pilot used his radio and had another pilot bring him 2 new tires, 3 cases of duct tape, and a supply of sheet plastic. He patched the plane together, and FLEW IT HOME !

Duct Tape - Never Leave Home Without It
