Albermarle County , Will Book 9, 1826-1829

I William Grayson of the County of Albermarle and State of Virginia being in good health and sound mind being disirerous to settle my worldly affaires before I go hence do make this my last will and testament making all other will or will heretofore made....My will is that after my death that all my just debts should be paid by executor here in named.

Item I give and bequest unto each of my son John Grayson's children five pounds apiece to be paid by my Executors out of my estate. My reason for not naming my son John's children in equal division with the rest of my children is that I formerly paid money for my son that would fully make him equal with the rest of my children.

Item I give and bequest unto my son Thomas Grayson's children and his grandchildren and equal share of my estate ~~with the rest of my children~~ but the money so be continued in the hands of my executor or put to interest for them untill they become of age or marry.

Item My will is that all of my estate of description both real and personal be sold by my executor (I invest in him full power to make titles to my land) and the money to be equally divided between my children hereafter named (except one chair, bed and furniture I give to my daughter Patsy Grayson) (Eliz.) Elizabeth Sutherland, Susannah Tomlin and the children and grandchildren of my son Thomas Grayson and my daughter Patsy Grayson lastly I appoint my grandson Joseph Sutherland to be my executor to this my last will and testament. Witness whereunto I set my hand and seal this the ninth day of October one thousand eight hundred and twenty eight.

✓ William Grayson was a native of Spotsylvania, ^{Va} and came to Albemarle some time before the Revolutionary War. In 1764 he bought land on the head of Mechum's River from Speaker John Robinson, who was then selling off the immense tracts in Rockfish valley, patented by his brother-in-law, John Chiswell. Having sold this property a few years after, he purchased from Gamaliel Bailey and Obadiah Martin at what was then known as the Little D. S., where the old Richard Woods Road forks with that passing through Batesville, and where his descendants have been living ever since. In 1804 he sold a small parcel at this place to William Simpson, who there established a tanyard that for many years went by his name, and afterwards by the name of Grayson, and that was one of the most noted landmarks in that neighborhood. Simpson in 1818 sold it to Joseph Grayson, a grandson of William. William died in 1829, having attained the remarkable age of ninety-seven years. His wife was Ann, daughter of Thomas Smith, and his children were John, Thomas, Martha, Elizabeth, the wife of Joseph Sutherland, and Susan, the wife first of Isaac Wood, and secondly of a Tomlin. Joseph Grayson married Rhoda, daughter of Daniel White, and died in 1867. His children were Thomas, who married Mary, daughter of John Jones, Ann, the wife of James H. Shelton, Frances, Elizabeth, the wife of Benjamin F. Abell, John and William.
